# Our Work

### Education:

- ◆ Delivering curriculum-based programs to Yukon students;
- ◆ Offering on-site experiential learning opportunities for the public;
- ◆ Providing specialized interpretive programming for school and community groups.

### Conservation:

- ◆ Protecting over 700 acres of diverse natural habitat;
- ◆ Rehabilitating injured and orphaned birds and animals in a state-of-the-art Wildlife Rehabilitation and Animal Care Centre;
- ◆ Ensuring the highest quality of animal care;
- ◆ **Members of Canada's Accredited Zoos and Aquariums.**

### Research

- ◆ Working with researchers to carry-out non-invasive studies into our wildlife and habitats;
- ◆ Members of the International Species Information System and the International Wildlife Rehabilitation Council.
