- I (the renter) accept full responsibility for the care and use of the rental equipment listed on this form and agree to pay for any damage to the rental equipment, including replacement at full retail value. The decision to repair or replace the rental equipment, and the determination of damage versus normal wear and tear, will be at the sole discretion of Yukon Wildlife Preserve Operating Society (YWPOS). The cost to repair or replace the rental equipment will cover all costs incurred by YWPOS, including but not limited to material costs, shipping, handling, duties, all labour by YWPOS, administrative fees (5% of costs) and all applicable taxes.
- I agree to pay any late fees and/or replace at full retail value any rental equipment not returned by the agreed time/date.
- I understand that the rental equipment is for use on the Yukon Wildlife Preserve (YWP) grounds only. I will not remove the rental equipment from the YWP.
- I am familiar with the safe and proper use of the rental equipment. I understand that this equipment is intended for use on snow covered surfaces only (not on exposed ground or sand/gravel covered surfaces), or is not for tricks / jumping. I understand that the rental staff are able to answer questions I may have as to the proper use of the rental equipment.
- I agree that any person using the rental equipment will complete a RELEASE OF LIABILITY, WAIVER OF CLAIMS, ASSUMPTION OF RISKS AND INDEMNITY AGREEMENT prior to use.
